

5 Essentials of a Purpose Driven Ministry

Planning Sheet

Belonging

Community

No one stands alone. We envision a 'community' of people who are free to be themselves, share joys and fears, develop real friendships and openly and honestly share life together.

Our Plan of Action:

Growing

Shepherding / Discipleship

Our goal is for 100 % of those who call Oakbrook their home to be in a small group under the loving care of a shepherd. In the context of small groups we intend to 'make disciples' teaching the Bible for life-change.

Our Plan of Action:

Worship: We dream about building a community that is overwhelmed with God's greatness that our worship exalts His true worth. God's presence will be welcomed. Our worship will feed our hungry hearts and draw seeker and believer closer to God.
Included in all plans: prayer, love, truth, grace, communication and vision.
